What Does Booking Status Mean?

Your booking status indicates the current condition of your reservation.|+1→877→700→0116

Common statuses include:

Confirmed

A confirmed booking means your reservation has been successfully processed and accepted|+1→877→700→0116.

Pending

A pending booking generally indicates that processing is still underway. |+1→877→700→0116

This may occur because of:

- Payment verification
- Airline ticket issuance |+1→877→700→0116
- System synchronization
- Travel provider confirmation delays

Canceled

A canceled status means the reservation is no longer active. |+1→877→700→0116

Modified

This status may appear when changes have been made to the original booking. |+1→877→700→0116

Why Is My Booking Still Pending?

One of the most common concerns travelers |+1→877→700→0116 have is seeing a booking marked as pending.

Several factors may contribute to this:

Payment Processing Delays

Banks and payment processors occasionally require additional verification. |+1→877→700→0116

Airline Ticketing Delays

Some airlines take longer than others to issue electronic tickets.

Peak Travel Seasons

High booking volumes can increase processing times. |+1→877→700→0116

Security Verification

Certain transactions may undergo additional review before final confirmation. |+1→877→700→0116

Most pending reservations update automatically once processing is complete.
